RE: Exclusive Beverage Alcohol Vendor Agreement

Tulane University has an exclusive vendor agreement that provides for the exclusive use of certain brands of alcohol at all university events where the use of alcohol has been approved in accordance with the university's alcohol policy.

Only those brands represented by the Republic National Distributing Company (Magnolia Spirits, Vintage Estates, Pelican Spirits, Heritage Fine Wines), shall be served at university events at which beverage alcohol is provided or sold. These brands may be purchased or acquired from any source. The organizer of any event in which the university has a substantial planning role and at which beverage alcohol is served, should also be encouraged to provide only the represented brands.

A current list of brands represented by Republic National Distributing Company is attached. If you are organizing an event at which beverage alcohol will be served, and have questions regarding how to comply with Tulane's exclusive vendor agreement, please contact Rhonda Coignet, Executive Director of Strategic Planning, and the Office of External Affairs, at rhondac@tulane.edu.

A copy of the university's alcohol policy can be found on the web at <http://www.alcoholeducation.tulane.edu/policy.htm>
Thank you.
